

PARENT COUNCIL

We continue to have a good representation across the breadth of the school with all classes having at least 1 Class representative.

Treasurer clerk, Alice Crowley, is no longer in post and new Treasurer, Claire Davidson, joined.

We are struggling without a Secretary, transcription does make Minute taking easier but would be good to have designated person as other members are currently taking on extra responsibilities but don't have capacity.

COMMUNICATION

ParentPay continue to be sent out on behalf of Parent Council by school to allow us to capture all families.

Class contact groups continue to be successful and allow informal connections between families.

Links made with Crieff Primary School parent council PiP and a local network group set up to allow for communication and sharing of information as well as Treasurers liaising to share independent reviewing of funds.

Previous survey indicated people enjoyed FB group and wanted to keep it but very little engagement. Another survey to review in the future would be advisable.

MEETINGS

Met termly last year and it worked well, introduced hybrid meetings and recording to allow inclusivity and accuracy of Minutes.

EVENTS

Quiz continues to be most successful at bringing people together informally and raising funds, have received requests for 2 quizzes per year.

Beetle Drive, Bunny drive and tabletop/car boot sales have all been proposed as well with members of PC taking these on and moving forward with plans.

Parish Fun day and Stall at parish fete didn't take place due to personal circumstances of PC members meaning they were unavailable to organise.

Agreed during meetings to collaborate with school for other events so that we are working together and have a focus for the year in line with the school objectives so we are all working towards the same goal.

Sports Day refreshment stall introduced, received lots of positive feedback and raised funds so will continue each year.

CORE FUNDRAISING AIMS

P1 homework bags

P7 leavers' gifts

1/3 transport costs for Education Mass

FOCUSED FUNDRAISING AIMS

Agreed to stop contingency fund as other funds were available for this. Instead, funds will be allocated for ad hoc requests that cannot be purchased otherwise, this year a wooden climbing frame set was purchased for ELC and the lower primary as well as netball bibs and transport for the Shinty team. Yearly Focus will be agreed with HT in line with school objectives.

MEMBERS OF PARENT COUNCIL

Chair – Ashley King

Secretary – Vacancy – please get in touch if you could help as we are in need of support

ASN Rep – Holly Pearson & Maria Beck

ELC class rep – Deirdre Scott
